“My experience with the Kindness Club has been very inspiring. I’ve learned a lot about being kind, and how to help others. I really enjoyed being part of a Club where I can do something to change the world and make it a better place. What I like the most is doing creative things that other people can do also, such as thank you notes, hearts, etc. Being in the Kindness Club really makes me want to help people be more kind. “

Marie Davila - 9th grade Kindness Club Ambassador
